Notes

1. The company IRD number is linked to the shareholder's IRD number for taxation purposes, IRD will not issue a company IRD number without a link to all individual shareholders.
2. A copy of the Directors and Shareholders current passport or driver's licence is required.
3. It is prudent to seek Trade mark registration of your company name.
4. A company is required to file an "Annual Return" with the companies office on annual bases. The cost of this exercise is \$140.00 plus GST. Company Resolutions must be signed by the Shareholders to that effect and filed in the company minute book.
5. The company formation process can be completed within 24 hours of receipt of all relevant information.
6. The cost of company formation is as follows:

Identity Verification (all shareholders and directors required)	\$ 20.00 per verification
Company formation charges (payable to companies office)	\$ 120.00
Company with up to 5 individual shareholders	\$ 580.00
LTC registration	\$ 150.00
Additional with Trust shareholders (new trust to be formed)	\$1,000.00
Additional with Trust shareholders (use of existing trust)	\$ 200.00
Overseas companies (additional cost)	\$ 200.00

(the above charges include IRD registration as well and any company formation advise, you agree to pay these fee within 7 days of receipt of tax invoice from biz solutions)
7. It is prudent to discuss the business setup to ensure that the correct structures are being utilised from commencement to utilise all business, management and taxation advantages available.
8. By requesting company formation by biz solutions, you are authorising biz solutions to act as your Accountants and Tax advisers and permit biz solutions to liaise and act on your behalf with Inland Revenue Department, Companies office and other Government departments as well as banks and financial institutions.
